Camp Oak Haven Fees and Fee Policies

****All deposits are due at time of reservation being made.*** *If deposit is to be made via a check being mailed, it must be received within five business days after the reservation was made with Camp Oak Haven staff. Deposits are non-refundable if reservation is cancelled after deposit is made. Reservations must be made at least 30 days in advance of your stay. The deposit for your reservation will be held until the completion of your stay, and after final inspection of the campground by Camp Oak Haven Staff. Should there be any damage caused, or items lost or misplaced by your group (with the exception of normal wear and tear) upon final inspection, funds from this deposit will be withheld in accordance with the amount needed to repair such damage, or replace such articles. Should there be damage to the property or facility, or any losses which exceed this set deposit, your group will be responsible for the total cost of the damage or loss. If no damage or loss occurs, and your group cleans up after themselves according to the cleaning standards posted in the buildings, the total deposit will be eligible for return. Your deposit can either be rolled over to the next year to secure your future reservation date, be returned after completion of your stay, or be donated to Camp Oak Haven to help with the improvement of our facilities. Should you have any questions about the condition of the camp or items missing upon your arrival, please bring them to the attention of the camp manager, or one of the board members immediately.*

Camp Oak Haven State Policies and Procedures for Weeklong Youth Camps

Camp Oak Haven is licensed through the Texas Department of Health and Safety and upholds the requirements listed by the state for all youth camp programs. The requirements listed in TITLE 25 HEALTH SERVICES, PART 1 DEPARTMENT OF STATE HEALTH SERVICES CHAPTER 265, GENERAL SANITATION, SUBCHAPTER B TEXAS YOUTH CAMPS SAFETY AND HEALTH are those enforced by the State of Texas Department of Health and Safety for all youth camp programs in the State of Texas, and must be followed by all entities renting our facility for youth day camps that have stays longer than two nights. You can find these requirements for youth camps by visiting www.dshs.texas.gov/youthcamp/laws-rules.aspx. Please familiarize yourself with the following rules and regulations that each individual youth camp must adhere to before renting our facility for a youth camp.

1. Pool Requirements

- a. A certified Lifeguard (current Red Cross Life Saving, WSI, Senior Life Saving or equivalent) must be provided any time your group uses the pool facilities. According to the Texas State Law, one lifeguard and one spotter must be provided for each 35 swimmers. If you are not bringing a lifeguard, Camp Oak Haven can provide a certified lifeguard for you at the cost of \$40 per day which must be paid at the time of payment for your stay at the campground. Reservation with us for a provided lifeguard would need to be made no later than 30 days prior to your visit. If you do not want us to provide you a lifeguard then each incoming group will be responsible for providing their own lifeguards and spotters along with copies of their lifeguards certification papers and names. Swimming ability test. Each camper using the pool must demonstrate their swimming ability. This test need not consist of anything more than swimming from one end of the pool to the other or equivalent. Anyone not passing this test must stay in the shallow end of the pool. Reference Texas Youth Camp Safety & Health Rules & Requirements 265.16

2. Medical Requirements

- a. A minimum of one RN, LPN, or Certified First Aid person must accompany your group and be at the facility at all times to handle any medical requirements for your group. This includes distribution of any prescription drugs. Each group is responsible for maintaining a designated "first aid station". This designated "first aid station" is to be used solely for that purpose. Health records. Health records for each camper should include; campers name, contact information for parent/primary caregiver, allergies, sensitivities, immunizations, any conditions of which medical staff should be aware and authorization for emergency medical care signed by the parent or primary caregiver. A First AID kit must be provided for the First AID area, field trips and emergency transportation vehicles. First AID kit must include an anti-disease transmission characteristics devise for life guard

use. Barrier for mouth to mouth. Emergency transportation vehicle. In the event a local EMS vehicle cannot be attained you must have a vehicle available for transport of patient to the local Emergency Facility. Reference Texas Youth Camp Safety & Health Rules & Requirements 265.15

3. Director and Staff requirements

- a. Each youth camp session must have a qualified adult director with at least two years of experience working with children. The director shall be knowledgeable in camp administrative practices and shall have at least one year of leadership experience with an organized youth camp, school or other youth-serving organization.
- b. Each youth camp session shall have at least one adult supervisor who is responsible for the supervision of no more than ten children in the camp. For any hazardous activity the supervisor(s) shall be in the immediate vicinity (within sight and/or hearing) of the campers. An "all camp" sedentary activity, not requiring physical activity, may require less supervision, and each camp shall establish its own guidelines, but not less than one adult supervisor to every 25 campers. The camp director shall not be included in the supervisor to camper ratio in camps over 50 campers at one time.
- c. Written personnel policies and practices. A camp shall have written personnel policies and practices for both campers and staff. Supervisors shall be informed of these policies and practices prior to assuming responsibility for campers.
- d. Staff member character and integrity records. The camp management shall ascertain and have on record information, such as a letter of reference, attesting to the character and integrity of each staff member, and information, such as training certificates, attesting to the ability of each staff member to perform the tasks required in his or her position.
- e. Criminal conviction and sex offender background check requirements. The camp management shall have on file a record of any criminal conviction and a sex offender registration check for all adult staff members and all adult volunteers working at the camp before the staff member or volunteer has unsupervised contact with children at the camp. A criminal background check and sex offender registration check must be on file for any other adult that will have unsupervised contact with campers, other than their own children. If the records are located off-site, a letter from the national or regional headquarters of the camp organization stating the names of individuals at the camp site for whom background checks have been conducted, shall be available at the camp site. All records of criminal convictions and written evaluations for a camp or camping organization shall be made available to department personnel within two business days upon request. Youth camps are responsible for ensuring that criminal and sex offender background checks have been conducted for international staff obtained through the J-1 visa process, and that

documentation of these checks are located with other staff background checks. Records of criminal convictions and sex offender status shall be obtained by:

- i. Performing an annual criminal background check using a criminal history database for each adult staff member's and each adult volunteer's permanent residence. If the staff member or adult volunteer has a temporary or an educational residence, an annual criminal background check shall include searching under the permanent, temporary and educational address, as applicable. The criminal history database used for the criminal background check is to be based on the individual's residences, and may include state, national or international databases. Documentation of the search results, whether or not the results are positive, shall be maintained with the sex offender background documentation; and
 - ii. Performing an annual background check using a sex offender registration database for each adult staff member's and each adult volunteer's permanent residence and educational residence if applicable, such as the TXDPS - Sex Offender Registry, which may be accessed at Texas Department of Public Safety - Crime Records Service. Documentation of the search results, whether or not the results are positive, shall be maintained with the criminal background documentation.
- f. For requirements listed above in section 3, reference Texas Youth Camp Safety & Health Rules & Requirements 265.12

Camp Oak Haven Emergency Procedures

Injury: In case of a serious injury requiring medical assistance, the following steps shall be taken

1. Notify the nurse/medical personnel immediately, director(s), and camp manager as soon as practical.
2. Properly trained personnel should perform emergency protocols to render immediate lifesaving procedures to stabilize the patient until Emergency Medical Services take over.
3. All guest shall be removed from the immediate area by staff that are not tending to the patient.
4. In the event that the injury was purposefully or intentionally caused by another party, the scene shall be secured by staff and the witnesses/actors separated until the proper authorities are notified and take over the scene.
5. If a guest requires transportation to the local hospital, one of the medical personnel on site, along with another designated adult will go with them.

Inclement Weather: In the event of inclement weather (thunderstorms, lightning, hail, wind, tornado) seek immediate shelter such as the cabins or dining hall.

Natural Disaster: In the event of a natural disaster, the following steps shall be taken

1. All staff members shall immediately and with haste direct guest to seek immediate shelter for safety (indoors and away from the windows).
2. At the discretion of the director and/or camp manager, and only if it can be done safely, all guest and staff should be directed to a safe central location such as the mess hall.
3. If injuries arise, refer to the injury protocols above.
4. If necessary, notify the proper authorities for assistance.

Active Shooter/Bomb Threat/Etc.: In the event of a terroristic event, i.e.: an active shooter, bomb threat, etc., the following steps shall be taken

1. All staff shall immediately and with haste take all necessary precautions to ensure the safety of all guest/staff. Upon doing so, a staff member needs to call 911 and alert the authorities of the situation as well as the camp manager.
2. All staff and guest, only when safe, shall seek a securable location, such as a cabin, and lock the doors thereby securing themselves inside until police are able to safely retrieve them.
3. The director(s) and camp manager shall be notified as soon as practical, as well as the head counselors, to assist with securing the safety of all staff/guest, and ensuring the proper authorities are contacted.
4. When required, all properly trained staff shall render immediate first aid to any/all victims until EMS arrives on scene and the scene is secured.

*ALL EMERGENCY PROTOCOLS SHALL BE FOLLOWED UNLESS SPECIFICALLY ADVISED DIFFERENTLY BY
A DIRECTOR OR CAMP MANAGER*
